

TERMS OF ENGAGEMENT

Supplier's declaration pursuant to the Register of Wine Merchant's Quality Marks, conditions no. November 2012.

concerning

Composition of wine, contractual and legislative provisions and Corporate Social Responsibility

- a) All the seller's supplies shall correspond to the sample and be in compliance with all legislative requirements and conditions applying in the country indicated by the buyer as the country of final destination, including conditions laid down by the governing bodies of industry organisations and the European Union, with regard to inter alia production method, quality, composition, shelf/storage-life, packaging, labelling, environment and transport applicable to the goods in the country of final destination at the time of arrival in said country.
- b) All supplies shall be in compliance with European Regulation (EC) No. 852/2004 and in particular their standard of hygiene, throughout all stages of preparation, processing, manufacturing, packaging, storing, transportation, distribution, handling and offering for sale or supply to the consumer.
- c) Packaging shall be in compliance with the requirements applying in all countries in or through which the goods are to be transported before reaching the country of final destination, and those in the country of final destination. The seller shall vouch for the accuracy of all documentation, declarations and papers, in which he declares or has declared on his behalf that they relate to the goods, or which accompany the goods.
- d) The seller shall be bound to observe all requirements, conditions, provisions, stipulations and rules relating to performance of the contract stemming from International Labour Organisation (ILO) Conventions, the UN Declaration on Human Rights, the UN Conventions on the Rights of the Child and the Elimination of All Forms of Discrimination Against Women, the UN Global Compact and the OECD Guidelines for Multinational Enterprises.
